Starlight Family of Collectors 2001

Starlight Express
2001 Membership Ornament
5" l. (Two-sided)

Collector's Free Gift
with 2001 Membership Kit
01-SP-84*

The official club for collectors of Christopher Radko ornaments and home accents, the Starlight Family of Collectors was founded in 1993. **Starlight Express** is Christopher's ninth annual ornament for Starlight Family members – an exclusive design available this year only and contained in the 2001 membership kit.

Starlight Express is a free gift from Christopher to collectors who join or renew their membership in the Starlight Family of Collectors! Other benefits of membership include:

- ❧ The complete set of Christopher Radko catalogues issued for 2001. Some are included in the membership kit, while others will be mailed throughout the year as they are released. All are full-color publications.
- ❧ A one-year subscription to **Starlight** magazine, taking members inside the exciting world of collecting Christopher Radko. Last year's quarterly issues ranged from 12 to 28 glossy pages, all in color.
- ❧ Periodic postcard mailings and e-mail announcements. Members receive color postcards alerting them to the latest exclusive designs and, when they provide e-mail addresses, electronic announcements of upcoming TV and other special appearances by Christopher.
- ❧ A personalized Starlight Family membership card.

Membership in Starlight is available by mail, by telephone or through Christopher Radko retailers nationwide, including Christopher's premier dealers — Rising Star, Starlight and Galaxy Stores.

Collectors who wish to join may call 1-800-71-RADKO (1-800-717-2356) to request an application, enroll by phone or find local retailers.

Dealers who wish to support the club may order membership kits for retail sale through their Christopher Radko/Starad, Inc. sales representative.

A personalized card signifies membership in the Starlight Family of Collectors.

Past issues of **Starlight**, the collectors' quarterly magazine. Clockwise from top, No. 25, No. 26 and No. 24, from 1999-2000.
