Christopher Radko®

Dear Friends,

It's a delight to be part of the holiday traditions of countless families for 18 years now. The pleasure of my work comes not only from the joy of creating, but also the knowledge that once the designs leave my hands they will continue to bring joy to the families who cherish them as heirlooms for generations to come. What is new today will soon become a link to the past, an anchor for delightful memories.

This catalogue brings my various collections under one cover for the first time. In addition to my annual collection of traditional European glass ornaments, and Home for the Holidays accessories, I present here my Shiny-Brite vintage American decorations, fine holiday tableware, sparkling jewelry, and hand-decorated sweaters. This catalogue illustrates how, over the years, my first designs have grown into a rich, year-round selection of accessories for both you and your home.

It's my pleasure to present my new collection to you, and my privilege to be a part of the holiday memories you create. Enjoy!

Santa Through the Centuries

In Spring 2003, Christopher Radko's *Santa Through the Centuries* continuity program will begin at participating retailers. On a specially appointed day each month for the next 12 months, Christopher's official *Santa Through the Centuries* ornaments will be introduced. Redemption forms that allow interested collectors to track their purchases of the *Santa Through the Centuries* for the year will be available from participating retailers. By returning to Starad, Inc. the completed redemption form (with the proof-of-purchase star symbols attached) and the sales receipts for each ornament, collectors receive a complimentary gift, directly from Christopher Radko! (Collectors are responsible only for shipping and handling charges.)

Those who complete the program by purchasing all 12 ornaments will receive a 48" tabletop tree*. The intricately sculpted base depicts a festive winter scene and plays, "Santa Claus is Comin' to Town". The tree is completed with a glittering star tree topper, and it is shipped directly from Christopher Radko!

All designs are limited to production this year with the exception of the January, February and March 2004 designs, which are limited to 2004 production.

Santa Through the Centuries will be available at participating Christopher Radko retailers nationwide, including Christopher's premier dealers – Rising Star, Starlight and Galaxy Stores.

Collectors may call the Christopher Radko Consumer Care Line at 1-800-71-RADKO (1-800-717-2356) to find local retailers. A telephone call will determine whether that retailer is offering the Ornament of the Month.
