GIFTS FROM THE HEART FOR ALL OCCASIONS

Christopher Radko®

Dear Friends,

Here's a funny thing about our old traditions: They're also new. That is, they are renewed and revived – seasonally and annually – or else they cease being traditions at all. They become history instead. History and tradition share the past, but tradition keeps one foot in the present and an eye towards the future. Traditions are truly evergreen.

I hope you will find that the same is true of the ornaments and accessories in this catalogue, which is made up of a great many new designs as well as a good number of returning favorites. The ornaments themselves are part of the European glass tradition – a centuries-old process, as followers of my work are aware. Together with my HOME FOR THE HOLIDAYS accessories, these sparkling creations evoke holiday celebrations and festive occasions fondly remembered ... and as these designs become part of your decorating and gift-giving, they renew traditions, bringing fresh new life to the rituals and customs of families and friends.

It's my privilege to be part of this process and my pleasure to present my new collection to you. In this catalogue, I hope you find ideas and inspirations to commemorate events in your future and to celebrate the traditions of your past!

Ornaments of the Month

In April 2002, Christopher Radko's second annual ORNAMENT OF THE MONTH program will begin at participating retailers. On a specially appointed day each month through March 2003, Christopher's official ORNAMENT OF THE MONTH will be introduced. Each European glass design is a limited edition created just for this program! Packaged inside the gift box that holds each design is an enclosure card that allows interested collectors to track their purchases of ORNAMENT OF THE MONTH with star stickers. By returning the completed card with the sales receipts for each ornament, collectors receive complimentary accessories, directly from Christopher Radko! (Collectors are responsible only for shipping and handling charges.)

Those who purchase the April, May, June, July, August and September ORNAMENT OF THE MONTH will receive a specially designed ornament stand on which they can display their ornaments each month!

Those who then complete the program by purchasing the October, November, December, January, February and March ornaments will receive a white tabletop feather tree suitable for year-round display — again, shipped directly from Christopher Radko!

All twelve ORNAMENTS OF THE MONTH are new designs limited to production this year. ORNAMENTS OF THE MONTH will be available at participating Christopher Radko retailers nationwide, including Christopher's premier dealers — Rising Star, Starlight and Galaxy Stores.

Collectors may call the Starlight Family of Collectors at 1-800-71-RADKO (1-800-717-2356) to find local retailers. A telephone call will determine whether that retailer is offering the Ornament of the Month!
