GIFTS FROM THE HEART FOR ALL OCCASIONS

Christopher Radko®

*D*ear Friends,

A hand-painted glass ornament is a sparkling heirloom for treasured and thoughtful giving, a radiant keepsake that connects the giver and the recipient through the heartwarming emotion and lasting memories it inspires. A family's collection of holiday decorations is a diary of sorts – a time-enriched and generously packed volume that embodies once-in-a-lifetime events as well as ongoing traditions.

Now, for your visual delight, I am presenting a festive new volume of seasonal marvels, your copy of my 2001 glass ornament portfolio. In it, you are invited to find gift inspirations that can adorn your home as you commemorate events in your future and celebrate the rich traditions of your past! Aficionados need no reminding that my ornament designs are magical smile-producers for much more than the Christmas holiday: way beyond winter, and for all seasons, special occasions or shared celebrations, a Christopher Radko ornament is the inspired choice for a hallmark of elegance.

Last year I was privileged to present you with my hand-somely bound 15th Anniversary glass ornament album. At 104 pages long, it was a full 20% longer than the previous two years' collections. This year my collection has expanded again. In its greatest growth ever, the catalogue is a breathtakingly full 160 pages long, every one of them gleaming with my very latest delightful and elegantly hand-painted designs, rich in coloration and chockfull of visual intrigue!

Again this year, the cover art depicts a compass fashioned from my star logo – a compass that directs your attention to each of the four seasons and every special occasion for which I create ornaments. Page borders are color-coded by season, matching the sections you'll see on the cover. Of course, many celebrations (weddings, anniversaries, birthdays and babies' arrival, to name a few) can be enjoyed and stylishly enhanced throughout the year. Ultimately, this underscores my message to you: An ornament is indeed a timeless gift! (More gift ideas in other beautiful forms, such as gorgeous cookie jars, inventive snowglobes, wax candles, glee-inducing ceramic accessories and swank tabletop décor for well-appointed holiday entertaining are found in abundance in your Christopher Radko *Home for the Holidays* catalogue.)

As sparkling new additions to ongoing traditions or as wonderful memory makers for the joyful milestones in life, the creations you will discover on these pages are forever works of heart! Thank you for sharing and celebrating them!

Collector's Free Gift
with 2001 Membership Kit
01-SP-84*

The official club for collectors of Christopher Radko ornaments and home accents, the Starlight Family of Collectors was founded in 1993. **Starlight Express** is Christopher's ninth annual ornament for Starlight Family members – an exclusive design available this year only and contained in the 2001 membership kit.

Starlight Express is a free gift from Christopher to collectors who join or renew their membership in the Starlight Family of Collectors! Other benefits of membership include:

- The complete set of Christopher Radko catalogues issued for 2001. Some are included in the membership kit, while others will be mailed throughout the year as they are released. All are full-color publications.
- A one-year subscription to **Starlight** magazine, taking members inside the exciting world of collecting Christopher Radko. Last year's quarterly issues ranged from 12 to 28 glossy pages, all in color.
- Periodic postcard mailings and e-mail announcements. Members receive color postcards alerting them to the latest exclusive designs and, when they provide e-mail addresses, electronic announcements of upcoming TV and other special appearances by Christopher.
- A personalized Starlight Family membership card.

Membership in Starlight is available by mail, by telephone or through Christopher Radko retailers nationwide, including Christopher's premier dealers — Rising Star, Starlight and Galaxy Stores.

Collectors who wish to join may call 1-800-71-RADKO (1-800-717-2356) to request an application, enroll by phone or find local retailers.

Dealers who wish to support the club may order membership kits for retail sale through their Christopher Radko/Starad, Inc. sales representative.

A personalized card signifies membership in the Starlight Family of Collectors.

Past issues of **Starlight**, the collectors' quarterly magazine. Clockwise from top, No. 25, No. 26 and No. 24, from 1999-2000.

Ornaments of the Month

In April 2001, Christopher Radko's ORNAMENT OF THE MONTH program will be introduced at participating retailers. On a specially appointed day each month through March 2002, Christopher's official ORNAMENT OF THE MONTH will be introduced! Packaged inside the gift box that holds each design is an enclosure card that allows interested collectors to track their purchases of ORNAMENTS OF THE MONTH. By returning the completed card with the required proofs of purchase, collectors receive complimentary accessories free of charge, directly from Christopher Radko!

Those who purchase the April, May, June, July, August and September ORNAMENTS OF THE MONTH will receive a specially designed tabletop tree on which they can display their ornaments!

Those who then complete the program by purchasing the October, November, December, January, February and March ornaments will receive a stunning glass finial to add the finishing touch to the tree — again, shipped directly from Christopher Radko and entirely free of charge!

All nine 2001 ORNAMENTS OF THE MONTH are new designs limited to production this year. January, February and March 2002 designs to complete the first annual (12-month) program will be unveiled later. ORNAMENTS OF THE MONTH will be available at participating Christopher Radko retailers nationwide, including Christopher's premier dealers — Rising Star, Starlight and Galaxy Stores.

Collectors may call the Starlight Family of Collectors at 1-800-71-RADKO (1-800-717-2356) to find local retailers. A telephone call to the store will determine whether that retailer is offering the ORNAMENT OF THE MONTH!
