Imagine the Little Gems Collection illuminated by starlight, and you have Christopher's new Starlight Gems! Crafted from blown glass and painted entirely by hand, these light covers are created with all the artistry and detail of Little Gems. Sized to fit securely onto most standard mini lights, Starlight Gems glisten brilliantly among any holiday decorations, whether on a tree, garland or wreath! (Light cord and bulbs are not included.)

ACCENTS COLLECTION

ACCENTS by Christopher Radko introduces radiant glass balls and icicles in ten scrumptious colors and three sizes. These hand-painted, mouth-blown glass ornaments are created in Europe to exacting standards to ensure everlasting quality. Christopher Radko has created classic star and stripe designs and shimmering icicles that are specially color-coordinated to accent his ornament collection.
