HANDCRAFTED IN EUROPE SINCE 1985

Christopher Radko

Dear Friends,

2010 is a very special year for The CHRISTOPHER RADKO Company as it marks our 25th anniversary. We are so proud of the legacy we have created and pleased to present this year's catalogue which includes our finest collection of hand-made European glass ornaments and holiday décor. Inside these pages you will find special ornaments and collections as well as new Home for the Holidays tabletop décor and vintage, Americana-inspired Shiny-Brite boxed collections. Everything in this incredible selection radiates the exceptional artistry and quality that has made CHRISTOPHER RADKO legendary.

This year, we are proud to offer an exquisite 25th Anniversary ornament and finial. In addition to these commemorative pieces, the 2010 collection features a special 25th Anniversary Santa Collection, which is comprised of 12 ornaments based on the most loved Radko Santas of all time. And be sure to check out the hundreds of other delightful new ornaments with handcrafted details that also grace the pages of this exceptional catalogue.

CHRISTOPHER RADKO ornaments are produced in Europe by a seasoned team of artists and craftsmen, many of whom have been with the company since the early days in the original factory. Each design is crafted by hand, using centuries-old carving, molding, glass blowing, silver lining, hand painting and finishing processes that require significant time and skill to complete. It is the Renaissance-era techniques and personal pride that make each keepsake precious.

We appreciate your ongoing dedication and support and look forward to this exciting year. We are committed to your satisfaction and the tradition of unique, hand-crafted holiday heirlooms that has been our signature of excellence over the past 25 years. It is our honor to work with you this season as we continue to build the CHRISTOPHER RADKO brand as the premier name in fine holiday décor for the generations.

Best Wishes and Warmest Regards,

Heather Shepardson, CEO

1985 2010

The Legacy continues

From the very beginning, the CHRISTOPHER RADKO name has symbolized the Standard of Excellence within the giftware industry as the unparalleled producer of the finest handcrafted, European-made glass ornaments. This year, we've reached a significant milestone as 2010 marks our 25th anniversary of producing fine holiday collectables and décor.

The Company was founded by Christopher Radko in 1985, following a devastating accidental loss of his precious family heirloom collection of European Christmas tree ornaments. His mission was to capture and re-create timeless elegance in uniquely crafted glass holiday ornaments that would serve as a new generation of heirloom pieces.

Today, after a quarter of a century and a transfer in ownership, CHRISTOPHER RADKO has grown, but remains true to the original passion, pride and tradition of producing holiday treasures. All CHRISTOPHER RADKO ornaments are produced in Europe by a seasoned team of artists and craftsmen, many of whom have been with the company since the early days in the original factory. Each design is crafted by hand, using centuries-old carving, molding, glass blowing, silver lining, hand painting and finishing processes that require significant time and skill to complete. It is the Renaissance-era techniques and personal pride that make each keepsake precious.

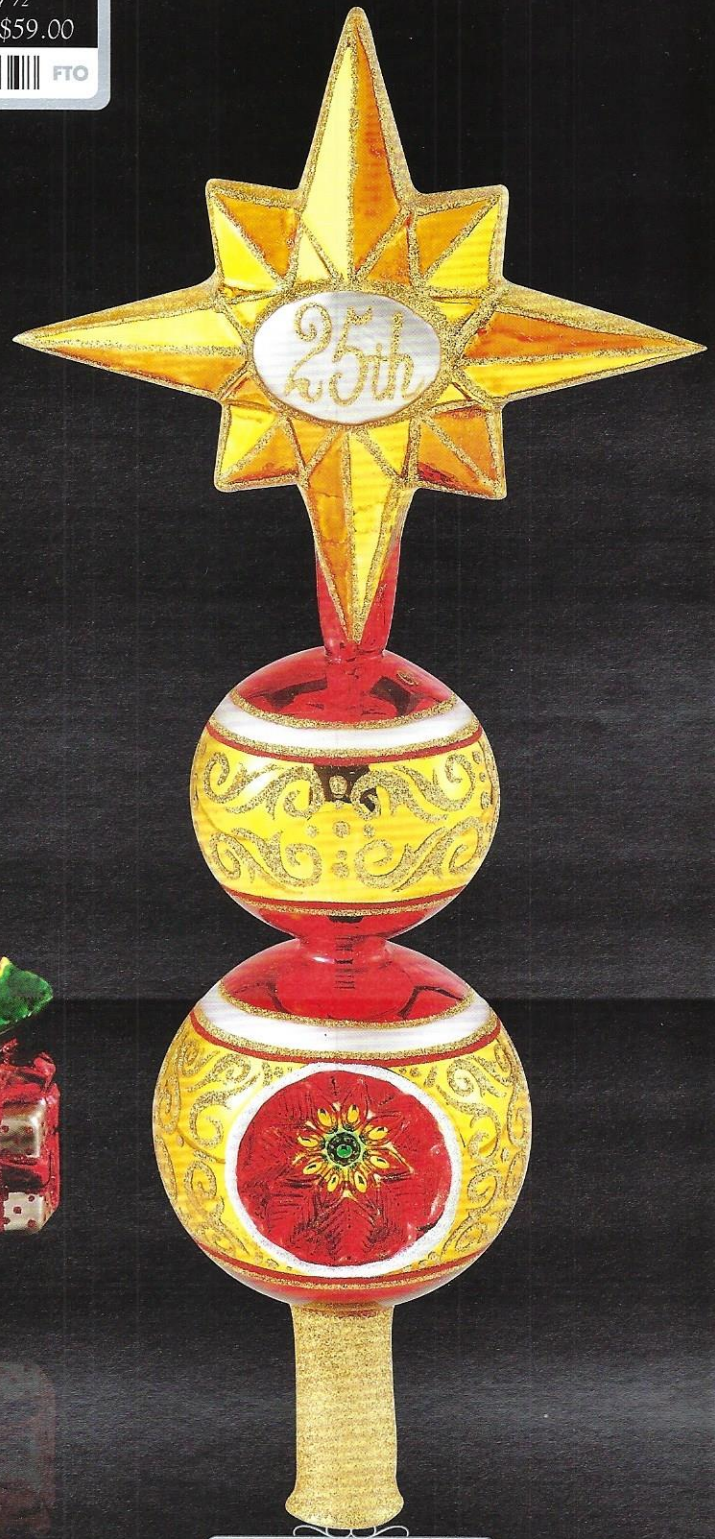

To celebrate our 25th anniversary, we've created a commemorative ornament and finial featuring Santa with gifts, holding a 25th anniversary star on top of a Christmas tree. The extraordinary piece is a reflection of our continuing legacy of old-world craftsmanship and traditional elegance. Both pieces shown on the next page will come with a special silver booklet hangtag.

The CHRISTOPHER RADKO Company is proud to have been part of the holidays for millions of people around the world for the past 25 years, spreading joy and the holiday spirit. We look forward to continuing the tradition of creating special moments and memories for the generations to come.

25TH ANNIVERSARY
SANTA COLLECTION

Comprised of 12 ornaments based on the most loved RADKO Santas of all time, we proudly present the **25th Anniversary Santa Collection**.

CHRISTOPHER RADKO's design team culled through more than two decades of Santas, looking for collector favorites and those which best represent the RADKO brand.

After revisiting each Santa, the design team was able to enhance the originals and transform them into the impressive grouping shown here.

Ornaments in the collection include a special silver anniversary hang tag that signifies the quarter century of fine RADKO craftsmanship.

With a sense of pride for the past, we hope this **25th Anniversary Santa Collection** brings back fond memories for you, as we have thoroughly enjoyed revisiting these classics and creating an incredible new assortment!
